

# Library science talks

## 25<sup>th</sup> season 2019

The Zentralbibliothek Zürich (ZB), the Association of International Librarians and Information Specialists (AILIS) and the CERN Scientific Information Service are pleased to announce their 2019 series of Library Science Talks. The series offers library and archive staff the possibility of learning from and communicating with personalities in libraries, archives and information services. The talks cover important and topical issues for information specialists.

### “Start today: digital stewardship communities & collaborations”

Trevor Owens (Library of Congress, Washington DC, USA)  
20 May in Geneva at UNOG, 21 May in Zürich at ZB

### “Working with citizens: Planning the new Helsinki Central Library”

Tuula Haavisto (City of Helsinki, Finland)  
3 June in Geneva at HEPIA, 4 June in Zürich at ZB

### “Designing the post-digital library”

Gildas Illien (Bibliothèques du Muséum d'Histoire Naturelle, Paris, France)  
30 September in Geneva at CERN, 1 October in Zürich at ZB

### “Data, models and libraries. Reflections on the role of libraries in the age of data-intensive science”

Gerhard Lauer (Basel University, Switzerland)  
28 October in Geneva at CERN, 29 October in Zurich at ZB

### “Universal design”

Knut Michael Nygaard (University of South-Eastern Norway, Kongsberg, Norway)  
25 November in Geneva at WHO, 26 November in Zurich at ZB

//ailis

For Geneva please register at:  
<http://cern.ch/go/6Vkv>

For Zürich please register at:  
<http://cern.ch/go/CWJ7>

**Presentations will be given twice: in Geneva at UNOG, HEPIA, CERN and WHO and in Zürich at Zentralbibliothek, always at 16:15.**

**All presentations will be in English and might be followed by a panel discussion with local experts in the subjects covered by the presentations.**

**The talks are open to all who are interested.**

#### **For the Talk in Geneva at the United Nations Office at Geneva (UNOG)**

Guests should come to UNOG with a valid photo ID and must register in advance via the link mentioned above for Geneva events. For more information, please contact the UN Library Geneva:  
email: [library@unog.ch](mailto:library@unog.ch)  
phone: 022.917.62.47

#### **For the talk in Geneva at Haute école du paysage, d'ingénierie et d'architecture (HEPIA)**

The talk will be held in Hepia (Rue de la Prairie 4, 1202 Geneva). Free access, no ID is required to access the building. For more information please contact:  
email: [david.decharte@hesge.ch](mailto:david.decharte@hesge.ch)  
phone: 022 546 25 28

#### **For the talk in Geneva at CERN**

Guests should come to CERN with a valid photo ID and must register in advance via the link mentioned above for Geneva events. They should be at the CERN reception, Building 33, at 16:00 to be guided to the conference room. For more information please contact:  
email: [tullio.basaglia@cern.ch](mailto:tullio.basaglia@cern.ch)  
phone: 022-767.79.11

#### **For the talk in Geneva at the World Health Organization (WHO)**

Guests should come to WHO with a valid photo ID and must register in advance via the link mentioned above for Geneva events. They should announce themselves at the WHO reception, Avenue Appia 20, and indicate that they are participating in the Library Science Talk in the Library Meeting Room.

#### **For the talks in Zürich at ZB**

Talks start at 16:15. For organisational reasons, guests are kindly requested to register in advance (deadline: previous day) via link mentioned above for Zürich. For any questions please contact the ZB:  
email: [anja.weng@zb.uzh.ch](mailto:anja.weng@zb.uzh.ch)  
phone: 044 268 32 27
